

200W SOLAR PANELS

22% Conversion Efficiency

Portable and Foldable

Water Resistant, Corrosion Resistant

SPECIFICATIONS

Features	Descriptions
Size	2220×610×27mm (Unfold); 597*610*42mm (Fold)
Output Interface	MC4 connector
Surface Material	Front- matt ETFE, back-waterproof cloth
Instantaneous Voltage	24.48V
Standard Operating Voltage	19.44V
Standard Operating Current	10.802A
Net Weight	5.3 kgs

400W SOLAR PANELS

22% Conversion Efficiency

Portable and Foldable

Durable Material, Waterproof

SPECIFICATIONS

Features	Descriptions
Size	2338×930×27mm (Unfold); 590×930×50mm (Fold)
Output Interface	MC4 connector
Surface Material	Front- matt ETFE, back-waterproof cloth
Instantaneous Voltage	48.9V
Standard Operating Voltage	40.3V
Standard Operating Current	9.9A
Net Weight	11.64 kgs
